Unlimited Possibilities

Select bold color combinations and coordinate different levels of opacity to match the architecture of your home and impart your individual style at the same time. ZAR® NuDECK® and ZAR® Solid Color Deck & Siding Coating can even be used on some non-wood surfaces. Match your masonry stairs to your wooden shutters. Coat aluminum trim with the same color as your front door. Curated ZAR® color collections also allow you to easily choose colors that look great together. The possibilities are truly unlimited.

*ZAR® CLEAR WOOD SEALER AND ZAR® SEMI-TRANSPARENT EXTERIOR DECK & SIDING STAIN CAN ONLY BE USED ON WOOD SURFACES

*Color matching dependent on dealer color matching system

Colors shown approximate actual stain colors as accurately as possible in process color printing. For an accurate color match, we recommend an initial brushout on the wood of your choice.
